Seeing the worthwhile year 2015 out and a hopeful New Year 2016 in, I would like to extend my New Year's Greetings to all the ITF EB members, Presidents of the Continental Federations, NGB Presidents and the entire Taekwon-Do practitioners.

Last year, we concluded in great success the 25th ITF Congress and the 19th Taekwon-Do World Championships in Plovdiv, Bulgaria, under the positive participation of and support from all the EB members, Presidents of the Continental Federations and NGB Presidents.

In particular, I would like to express my sincere gratitude to all the EB members, Presidents of the Continental Federations, NGB Presidents and Taekwon-Do practitioners for having elected me as the ITF President at the 25th ITF Congress held on Aug. 26th, 2015 and promise herewith that I shall lead the ITF as aspired by all the Taekwon-Do practitioners, to meet the last wishes and life-long desires of

Gen. Choi Hong Hi, the founder of original Taekwon-Do, always keeping in mind your support and expectation on me.

Availing myself of this opportunity, I would like to express my sincere hope that there'll be made more successes in the work for the growth and development of the ITF with your positive effort and cooperation and wish you and your family members good health, happiness and prosperity in the New Year 2016.

Sincerely yours,

Prof. Ri Yong Son

ITF President
